She proves it so
By starting off

And then she adds,
With playful pat:

Year Ago Yesterday

One of the most wonderful wrecks, probably, that ever occurred on the C. and O. road was the disaster of the Fast Flyer at the intersection of the C. and O. and L. and N. switch East of Limestone Creek a year ago yesterday. There were no lives lost in the smash-up, but it was the most remarkable railroad accident on record. There were four passenger cars and a mail coach that were more or less wrecked in the disaster. A remarkable feature was that one of the passenger cars leaping from the main track to that of the L. and N. switch, forming a bridge over a twenty-foot chasm and not a passenger in the car being seriously hurt.

FOUR CLUB LEAGUE

Maysville, Ripley, Higginsport and Augusta Will Defy G. Hermann and Start Something

Ripley Bee.

Mr. Herbert Whitley is in receipt of a communication from Manager C. B. Williams of the Higginsport Baseball Club asking him to join in the formation of a four-club river town league, to consist of Ripley and Higginsport in Ohio, and Maysville and Augusta in Kentucky.

The scheme looks good—the towns being close together, reducing transportation charges to a minimum, and there has always been strong rivalry between the towns named, insuring good attendance.

CAREFUL MAN'S OPINION

Business men are careful about what they say—it is part of their training. Therefore, when Mr. J. G. Clarke, a business man of Westchester, N. Y., answered a question about his greatly improved health, his opinion may be considered correct.

He said "Having been troubled with a bad cough and bronchitis for nearly a year, I decided to take Vinol a short time ago. The cough has now disappeared and my health is very much improved."

"I certainly consider Vinol a valuable remedy and should be kept in every home—until people try it they don't know its value."

"Thousands of other intelligent people praise Vinol simply because they have found it just what they needed to drive away lingering coughs and build up their health and strength."

Vinol is a delicious cod liver and iron preparation without oil, and is the greatest strength renewer for all who are weak and run down. We guarantee it to give perfect satisfaction. J. C. Peacor, Druggist, Maysville, Kentucky.

UTOPIAN VILLAGE

Germantown Happy and Contented Without City Officers

Germantown has the unique distinction of being without any city officers at this time, none having been elected at the November election.

There has been some talk of petitioning

Judge Gibson of Bracken to appoint officers. Streets are in a deplorable condition. Some have paid their taxes, others have not, and say they do not intend to.

Germantown has nearly six hundred population, but the corporation is divided, part being in Mason and part in Bracken counties.

Maybe Germantown has been trying the "I. and R." with a little of the "recall" and the "commission form" thrown in.
